

## **Welcome to the Madison Dental Group**

We are pleased to offer to you the best quality care and the state-of-the-art treatment to insure your continuing dental health.

In addition to offering you preventive (oral examination and cleaning) and restorative dentistry (fillings, root canals, periodontal treatment, etc.), we also perform cosmetic and implant procedures to make you look as young as you feel. We will be pleased to discuss all your dental needs with you.

In order to provide timely service to all patients, we ask you to follow these guidelines:

1. We operate with scheduled appointments only, and require 24-hour notice of a cancellation to avoid a fee.
2. We carefully schedule appointments to include adequate time for your procedure. If you arrive late, we may not be able to serve you without penalizing other patients. If we must reschedule due to late arrival, we may charge a cancellation fee.
3. It is your responsibility and obligation to provide this office with current and accurate insurance information each time you are seen here. If incorrect information is given you will be responsible for all charges incurred and billed directly from this office.

We look forward to providing you with the excellence in dentistry for which we are known, and welcome all referrals of family and friends to our practice.

Cordially,

The Madison Dental Group
